TO WHOM IT MAY CONCERN

This is to certify that **Ratul Hasan**, bearing ID CSE [redacted], Registration No. [redacted], Session 2021-2022, was a student of the Department of Computer Science and Engineering, Bangladesh Army University of Engineering & Technology (BAUET).

From July 2024 to December 2025, covering the Summer 2024, Fall 2024, and Summer 2025 academic sessions, he voluntarily conducted programming classes for undergraduate students through the BAUET Computer Society under the Department of Computer Science and Engineering. The sessions covered foundational programming concepts, C, C++ and Basic Data Structures and included coding exercises and programming contest preparation designed to strengthen students' problem-solving and analytical skills.

He demonstrated strong programming knowledge and communicated concepts effectively to students of varying skill levels, carrying out these responsibilities with dedication, professionalism and a genuine commitment to student learning.

I wish him every success in his future endeavors.
